DIRECTOR ONCOLOGY SERVICE LINE
Saint Louis, MO

SSM Health is a Catholic, not-for-profit health system serving the comprehensive health needs of communities across the Midwest through one of the largest integrated delivery systems in the nation. With care delivery sites in Illinois, Missouri, Oklahoma, and Wisconsin, SSM Health includes 20 hospitals, more than 60 outpatient care sites, a pharmacy benefit company, an insurance company, two nursing homes, comprehensive home care and hospice services, a technology company and two Accountable Care Organizations. With more than 8,500 physicians on our medical staff and nearly 31,000 employees in four states, SSM Health is one of the largest employers in every community it serves. An early adopter of the electronic health record (EHR), SSM Health is a national leader for the depth of its EHR integration.

The Director of the Oncology Service Line for SSM Health will assume responsibility for all five SSM St. Louis Radiation Oncology Departments, obtaining information that is critical for management decision making, while providing expertise and leadership of SSM St. Louis Oncology Operations. Develop, administer, and monitor compliance of Radiation Oncology policies, procedures, and internal controls. Ensures compliance of regulatory requirements. Provide overall direction to SSM St. Louis Radiation Oncology Departments. This position has four direct reports.

The successful candidate will have a Bachelor’s Degree, ARRT Certification, 3-5 years of technical experience, and 3-5 years of supervisory experience.
