

Cancer Center Service Line Program Director

CaroMont Health is an independent, not-for-profit health care system situated just 17 miles west of Charlotte, North Carolina. Our system consists of Gaston Memorial Hospital, our 435-bed general acute care, magnet designated hospital, eight affiliate companies and a network of 38 primary and specialty physician offices that deliver state of the art health care to the southwest Piedmont area. Our services rival those of much larger metropolitan facilities allowing us to provide the best of small town living and big city advantages.

Our CaroMont Cancer Center Program includes Surgical Oncology, Medical Oncology, Radiation Oncology, Cancer Registry, Cancer Research and Cancer Support Services. We are accredited by the national organization - the American College of Surgeons - as a community comprehensive cancer program and has received the Commission on Cancer Outstanding Achievement Award.

We invite you to explore this highly visible position. Responsibilities include serving as the first-line liaison as well as ensuring goals are met and exceeded for the complete continuum of care of our Cancer Program.

Requirements: Master's degree in Management, Business Administration, Nursing or related area; 5+ years of experience in the health care industry; demonstrated competence in program development, client relations and project management; effective communication, organizational, planning, negotiating, coaching, analytical and conceptual thinking skills; and the ability to recognize and capitalize on marketing opportunities.
